APPENDIX A

POLICY GOVERNING THE INTEREST RATE FOR TELECOMMUNICATIONS CUSTOMER DEPOSITS PURSUANT TO TITLE 170 INDIANA ADMINISTRATIVE CODE SECTION 7-1.3-3(H)(1)

This policy is based upon the requirement in Title 170 Indiana Administrative Code Section 7-1.3-3(h)(1) that telecommunications utilities subject to that section pay interest on customer deposits held for more than thirty (30) days. The Indiana Utility Regulatory Commission sets the interest rate for such deposits based upon the current rate for one-year United States Treasury Constant Maturity securities rounded to the nearest one-half (1/2) of one percent (1%). On December 30, 2005, the rate for one-year United States Treasury Constant Maturity securities was 4.38%. Therefore, the Commission declares that effective January 1, 2006 to December 31, 2006, the interest rate for telecommunications customer deposits shall be **four and one-half percent (4.5%)**.
